## INDUSTRY SERVED

- ▲ CHEMICAL
- ▲ EXPLORATION AND PRODUCTION
- ▲ FOOD & BEVERAGE
- ▲ GAS UTILITIES AND PIPELINE
- ▲ POWER
- ▲ REFINING
- ▲ WATER & WASTEWATER

## EQUIPMENTS

- PUMPS ▲
- DRIVES/ DRIVE SYSTEMS ▲
- INSTRUMENTATION / CONTROL ▲
- LIQUID TREATMENT ▲
- FILTRATION ▲
- FUEL HANDLING ▲

## PRODUCTS

FLOWMETERS , PUMPS , FILTERS , HOSES & COUPLINGS , VALVES ,  
GUAGES , SAFETY DISCS , CUSTOM SKID PACKAGES , COMPRESSORS  
,ACTUATORS , FALME SCANNERS , FUELLING NOZZLES ,SWIVELS,  
BREAKAWAY, SOLENOID VALVES , FUEL DISPENSERS ,HOSE REELS ,  
TANK TRUCK PARTS (EMERGENCY VALVE , MANHOLE COVER , SUMP,  
LEVER OPERATORS , GROUNDING REELS )

Dear Valued Customer,

For more than 18 years Magnetron was involved in the supply of fuel pumps and meters in the Middleast market. Magnetron was founded in year 2002 and has always been the leader in its field for 18 years and is always recognised and distinguished by the quality and reliability of its services and products.

Magnetron has been committed to serving specific industries where our fuel handling pumps and meters offer the best product life cost cycle possible. We have expanded our offering of products beyond pumps and meters to include the technologies you demand. Today our product solutions fit multiple industries.

While our main products are Fuel counters and Fuel pumps, Transfer sets, Dispensers and service within these areas. Products from Magnetron are used in a variety of industries including LPG, Chemical processing, Refined fuels, Food & Beverages, Power, Water & Waste water and the Mobile transport industries.

Today, Magnetron has its strength and flexibility by its ability to anticipate and adapt to its customers' needs. Over the years the product range has developed concurrently with the market requirements, which means Magnetron is able to fabricate variety of special products for the customized application of yours .

To come up with a really good product demands plenty of knowledge and fresh, innovative ideas. Yet most important of all is to listen to our customers needs and requirements. So that we can see what can be improved and identify things that are not working optimally. Only then we can create something new – and that actually makes a big difference for you.

Magnetron's products presupposes matured and highly developed technology, but also intelligent after-sales solutions aiming at maintaining the serviceable life of the products in a long run with minimum efforts. For this, Magnetron provides you with fully developed service concepts, including comprehensive services for your products. The efficient combination of technical competency, know-how, quickest resource access and the unparalleled Magnetron Customer service offers you the optimum reliability that you need to operate your equipment.

Magnetron is progressive company that passes the ISO 9001 system for all company activities

In case you need further information, please do not hesitate to contact us. We are looking forward to receiving your valuable comments and suggestions.

Best Regards

Team Magnetron
